

INTERNET BANKING & E-SIGN CONFIRMATION AGREEMENT

INTERNET BANKING AGREEMENT:

1. The Internet Banking Services.

In consideration of the Internet Banking service ("Services") to be provided by Waypoint Bank ("BANK"), as described from time to time in information distributed by BANK to its customers. In this Agreement, "Customer" refers to the person(s) subscribing to or using the Services. The Customer agrees as follows: You may use a Personal Computer ("PC") through an internet connection to obtain account balances and transaction information. You may also use your PC to obtain statements on your accounts and to transfer money between your accounts. However, transfers from your savings and Money Market accounts are considered pre-authorized transfers, and pre-authorized transfers are limited to six (6) per calendar month or statement cycle (or similar period) of at least 4 weeks. In addition, you may use your PC to electronically direct us to make payments from your account to third parties ("Payees") that you have selected to receive payment through the Services. You may make payments through the Services to any business professional, merchant, family member, or friend. The "Account" means your designated Bill Payment checking account at BANK from which we make bill payments on your behalf pursuant to the Agreement. By subscribing to the Services or using the Services to make any payments to a third party, you agree to the terms of the Agreement.

PLEASE READ THIS AGREEMENT CAREFULLY AND KEEP A COPY FOR YOUR RECORDS.

2. Your Merchant List.

You may include all utility companies, merchants, financial institutions, insurance companies, individuals, etc. whom you wish to pay through the BANK Bill Payment. Include a complete mailing address and telephone number for each and your account number with each payee. We reserve the right to decline to make payments to certain persons and entities.

3. Your Password.

Each individual who has access to Internet Banking, including each individual named on joint accounts, must designate a username and a password. It is recommended that you change your password periodically to enhance security. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, and names of children. Your password should also be memorized rather than written down. If you have forgotten your password, you can use the "forgot password link" on the login page to reset your password once you have entered the required account information.

Upon three (3) unsuccessful attempts to use your password, access to Internet Banking will be revoked. To re-establish your authorization to use Internet Banking, you must contact us to have your password reset or to obtain a new temporary password.

By sharing your password with other users, you are expressly authorizing these users to have access to all Accounts and use all service provided through Internet Banking. You acknowledge that you are solely liable and hold BANK harmless for the use or misuse of your Accounts by users you have granted access to your Internet Banking. If you wish to terminate a user's access to your Accounts through Internet Banking, you are solely responsible for changing your password to prevent the user from further accessing the Account.

4. Scheduling Payments.

You may choose to add Bill Payment and use your PC to electronically schedule payments with the Services. Payments are posted against your balance available for withdrawal, as defined in the BANK's Funds Availability Policy, plus the available credit on your overdraft protection, if any, or other line of credit.

5. Delivery of Your Payments and Transfers.

You may schedule payments to be initiated on the current business day, on a future date, or on the same date of each month, subject to the restrictions in the Agreement. Although you can enter payment information through the Services twenty-four (24) hours a day, seven (7) days a week, payments can be initiated only on business days. Funds will be deducted from your Account on the business day on which a payment is to be "initiated." This date is referred to in this Agreement as the "Transaction Date." If you direct the initiation of a payment to occur on a day other than a business day, it will be initiated on the following business day. After funds are withdrawn from your Account, we may remit your payments by mailing your payee a check, by electronic funds transfer, including ACH (Automated Clearing House) or by other means. Because of the time it takes to send your payment to them, your payees generally will not receive payment on the Transaction Date. This applies regardless of whether the payment is a next-day payment, a future payment, or a recurring payment, as described below. Therefore, in order to provide sufficient time for payments to be received by your payees, the Transaction Date should be prior to the date your payment is due, excluding any applicable grace periods (the "Due Date"). Payments and transfers must be scheduled by the normal cut-off time of 6 p.m. local (Central Time) time on any business day in order for the payment to be initiated for that business day.

6. Recurring Payments.

Recurring payments are those made for the same amount and are made on a weekly, bi-monthly, monthly basis, etc. Once started, recurring payments will be made automatically until you tell us to stop or cancel the payment online and we have a reasonable opportunity to react.

7. Our Liability for Failure to Complete Transactions.

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we might be liable for some of your losses or damages. However, there are some exceptions. We will not be liable for instance:

- a. If, through no fault of ours, you do not have enough money in your account to make the transfer;
- b. If the money in your account is subject to legal process or other encumbrances restricting transfer;
- c. If the transfer would go over the credit limit on your overdraft line (if any);
- d. If the system was not working properly when you started the transfer;
- e. If circumstances beyond our control (such as fire or flood or systems failure) prevent the transfer, despite reasonable precautions that we have taken; or
- f. If the payee mishandles or delays handling payments sent by us.

8. Canceling Payment.

You may use your PC to cancel a payment up to 6 p.m. (Central Time) on the business day your payment is scheduled to be initiated ("Transaction Date"). There is no fee for canceling a payment online. Other requests must be made at least one (1) day prior to scheduled payment date. A payment that has been sent may be recalled for a stop payment fee of \$30.00 per item, but the BANK will not guarantee the ability to recall an item.

9. Statements.

All payments, transfers, and/or fees made with the Services will appear on your monthly Account statement. The payee name, payment amount, and date of the payment will be shown for each payment made through the Services during that month.

10. Fees.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the 60 days, if we can prove that we could have prevented someone from taking the money if you had told us in time.
